

Feeder Pillar Accessories

Locks

Lucy Lighting supplies standard locks with its pillars which are suitable for most applications. However, there are instances where enhanced security or anti-vandal locks are required and these may be selected from the options list relative to the pillar in question.

Standard fitment locks

Tri Head / 'O' Lock

Used on steel Mini and Single Door pillars. Both locks are interchangeable.

Fortress wedge locks

Fitted to Fortress feeder pillars.

Heritage wedge locks

Different variant of the above wedge lock for the Heritage pillar.

Optional fitment locks

Yale Locks

Can be fitted to the Fortress and Heritage pillars.

Bar Locks

Suitable for the Heritage pillars only.

Examples of anti-vandal locks available from Lucy Lighting

Anti-vandal Locks

Lucy Lighting is able to offer a number of anti-vandal locks to fit Fortress and Heritage pillars. Please refer to our Sales Office for specific details.

Hasp and Staple Padlock

Can be fitted to Single and Double door Fortress pillars.
